

## Week Day - Conference and Training Package Program

***Let the Carlisle Expo Center take the hassle out of planning.  
Find the perfect package for your next corporate or training event.***

### ABOUT THE EXPO CENTER

The Expo Center offers a wide-open floor plan with infinite flexibility. The facility is equipped with two load-in ramps, as well as a truck-height loading dock, meaning load-in is quick and easy. We welcome companies with large equipment training to use our facility, as our spacious exhibition hall can accommodate just about any piece of equipment.

From start to finish, all clients deal directly with the Building Manager. This personal client relationship ensures your event is thoroughly planned and well-executed. All rentals include an on-site Expo staff member to take care of any custodial needs, as well as assist with load-in. This gives clients the chance to focus on the finer details of their events.

### COST-EFFECTIVE CONFERENCES AT THE EXPO CENTER

The Carlisle Expo Center offers big savings compared to other venues. To rent a similar sized space in the Harrisburg area would cost in excess of \$2,500 per day, with additional parking fees. The Carlisle Expo Center is \$500 less per day and offers 350 complimentary parking spaces. There are no additional equipment fees. Clients also have peace of mind knowing the price we provide is the price they pay. Carlisle Expo Center enforces no hidden fees, service charges or any other "fine print" costs.

<b>The Premier Package</b>	<b>\$2,500</b>
<b>The Basic Conference Package</b>	<b>\$2,000</b>
